International Conference on
**Chip, Circuitry, Current, Coding,
Combustion & Composites**

i7C-2016

10th & 11th November, 2016

Sri Sairam College of Engineering
Anekal, Bengaluru

Organized by:
Sri Sairam College of Engineering (SSCE),
Anekal - Bengaluru
and
Institute for Engineering Research and Publication (IFERP)

The Institute For Engineer Research and Publication in collaboration Sri Sairam College of Engineering (SSCE), Anekal - Bengaluru organized International Conference on "Chip,Circuitry,Current,Coding,Combustion & Composites "(I7C-2016). The conference took place at Bangalore, in the " Silicon Valley of India "Karnataka ,India .

The theme of the conference was to "address the issues related to the design, analysis and implementation of Intelligent Systems, a perfect combination of sensors, security, Composites and intelligent software as a unit for secured real time computation with precision and perfection " .

Sri
SAIRAM
COLLEGE OF ENGINEERING

The goal of the conference is an opportunity to research scholars, delegates and students to interact and share their experience and knowledge in technology application to excel and also to increase research culture in India and around the world.

We are indebted to the efforts of all the reviewers who undoubtedly have raised the quality of the Conference Souvenir. We are earnestly thankful to all the authors who have contributed their research works to the conference. We thank our Management for their wholehearted support and encouragement. We thank our Principal for his continuous guidance. We are also thankful for the cooperative advice from our advisory Chairs and Co-Chairs. We thank all the members of our local organizing Committee, National and International Advisory Committees.

Keynote Speakers

Dr. Jharna Majumdar,
Dean R & D, Professor, Head Dept of M Tech, CSE.
Nitte Meenakshi Institute of Technology, Bangalore

Dr. P.A. Vijaya,
Professor Department of ECE, bnmit, Bangalore

Dr. T.C. Manjunath,
Professor, Head of the Department of Electronics & Communication Engg,
Dayananda Sagar College of Engineering, Bangalore

Sharanabasappa C. Sajjan
Head of the Dept. at KLEITKLEIT, Hubli

“Conference Overview “

They highlighted the relevance of the conference topics about **Chip, Circuitry, Current, Coding, Combustion & Composites**
