

International

Conference on
Advances in
Mechanical Engineering
sciences

ICAMES-17

21st & 22nd April, 2017

Organized by

P.E.S. College of Engineering
Mandya, Karnataka

and

**Institute for Engineering
Research and Publication
(IFERP)**

International Conference on *Advances in* Mechanical Engineering Sciences

The Institute For Engineer Research and Publication in collaboration P.E.S College of Engineering , Mandya, Karnataka organized International Conference on **"Advances In Mechanical Engineering Sciences" (ICAMES -2017)**. The conference took place at Mandya , in the "Sakkara Nadu(Sweet Place) ",Karnataka , India .

The theme of the conference was to "recent innovations, trends and concerns, practical]challenges and the problem solution adopted in the field of Mechanical Engineering and Technology."

International Conference on *Advances in* Mechanical Engineering Sciences

The goal of the conference is an opportunity to research scholars, delegates and students to interact and share their experience and knowledge in technology application to excel and also to increase research culture in India and around the world.

International Conference on *Advances in* Mechanical Engineering Sciences

We are indebted to the efforts of all the reviewers who undoubtedly have raised the quality of the Conference Souvenir. We are earnestly thankful to all the authors who have contributed their research works to the conference. We thank our Management for their wholehearted support and encouragement. We thank our Principal for his continuous guidance. We are also thankful for the cooperative advice from our advisory Chairs and Co-Chairs. We thank all the members of our local organizing Committee, National and International Advisory Committees.

International Conference on *Advances in* Mechanical Engineering Sciences
