

International Conference on **EMERGING TECHNOLOGICAL INNOVATIONS in MECHANICAL ENGINEERING**

ICETIME-17

26th-27th May 2017

Organized by
RR Institute of Technology, Bangalore
and
Institute for Engineering Research and Publication(IFERP)

ICETIME-17

The Institute For Engineer Research and Publication in collaboration Raja Reddy Institute of Technology, Bengaluru, Karnataka organized International Conference on “**Emerging Technological Innovations in Mechanical Engineering**” (ICETIME- 2017). The conference took place at Bangalore, in the “Silicon Valley of India” Karnataka, India.

The theme of the conference was to “Recent Trends and challenges in Mechanical Engineering. Emerging technologies are those technical innovations which represent progressive developments within a field for competitive advantage. “

Keynote Speakers

Dr. B.K.Venkataramu
Dr.Satish Dhawan Scientist,
Liquid propulsion systems centre

N.V.S.Raju
Professor of ME Author of OR, IEM, TQM, OME, PMRE,
Instrumentation, RCM...PA

ICETIME-17

The goal of the conference is an opportunity to research scholars, delegates and students to interact and share their experience and knowledge in technology application to excel and also to increase research culture in India and around the world.

We are indebted to the efforts of all the reviewers who undoubtedly have raised the quality of the Conference Souvenir. We are earnestly thankful to all the authors who have contributed their research works to the conference. We thank our Management for their wholehearted support and encouragement. We thank our Principal for his continuous guidance. We are also thankful for the cooperative advice from our advisory Chairs and Co-Chairs. We thank all the members of our local organizing Committee, National and International Advisory Committees.
