

INTERNATIONAL CONFERENCE ON RECENT ADVANCES IN BIOSCIENCES AND BIOENGINEERING

ICRABB-18

8th - 10th March 2018

Parul University
Vadodara, Gujarat

ICRABB-18

The Institute For Engineer Research and Publication in collaboration Parul University, Vadodara organized International Conference on “Recent Advances in Biosciences and Bioengineering” (ICRABB-18). The conference took place at Vadodara, in the “Banyan City” Gujarat, India.

GOAL

The goal of the conference is an opportunity to research scholars, delegates and students to interact and share their experience and knowledge in technology application to excel and also to increase research culture in India and around the world.

ICRABB-18

We are indebted to the efforts of all the reviewers who undoubtedly have raised the quality of the Conference Souvenir. We are earnestly thankful to all the authors who have contributed their research works to the conference. We thank our Management for their wholehearted support and encouragement. We thank our Principal for his continuous guidance. We are also thankful for the cooperative advice from our advisory Chairs and Co-Chairs. We thank all the members of our local organizing Committee, National and International Advisory Committees.

OVERVIEW

“Conference Overview”

All Keynote Speakers highlighted the relevance of the conference topics about **Recent Advances in Biosciences and Bioengineering**

ICRABB-18

The theme of the conference was to "Discuss recent innovations, trends and concerns, practical challenges and the problem solution adopted in the field of Biosciences and Bioengineering."

ICRABB-18

KEYNOTE SPEAKERS

Dr. Hemraz Palawan

Chartered Biologist (UK)
Certified Andrologist (Canada) and
Certified Medical Laboratory Professional (Canada).

Dr. Ramesh Babu Boga

President and Managing Director
BogaR Laboratories LLC, Suwanee (GA), USA BogaR Laboratories,
Peddapuram (A.P.), INDIA Aasis Datta Distinguished Emeritus Scientist
Formerly: Founder Director and Professor of Eminence,
National Institute of Plant Genome Research and Vice Chancellor,
Jawaharlal Nehru University, New Delhi)
National Institute of Plant Genome Research (NIPGR)
Aruna Asaf Ali Marg, JNU Campus, New Delhi- 110067Dr.

Latika Bhatia

Assistant Professor,
Department of Microbiology & Bioinformatics
