2nd - 3rd April 2018

Venue:
Hotel Supreme Heritage
(Pune)

The Institute For Engineer Research and Publication organized 4th International Conference on “Recent Challenges in Engineering and Technology” (ICRCET-18). The conference took place at Pune, in the “Information Technology(IT) Hub City” Maharashtra, India.

The theme of the conference was “recent innovations, trends and concerns, practical challenges and the problem solution adopted in the field of Engineering and Technology.”

The goal of the conference is an opportunity to research scholars, delegates and students to interact and share their experience and knowledge in technology application to excel and also to increase research culture in India and around the world.

We are indebted to the efforts of all the reviewers who undoubtedly have raised the quality of the Conference Souvenir. We are earnestly thankful to all the authors who have contributed their research works to the conference. We thank our Management for their wholehearted support and encouragement. We thank our Principal for his continuous guidance. We are also thankful for the cooperative advice from our advisory Chairs and Co-Chairs. We thank all the members of our local organizing Committee, National and International Advisory Committees.
