ABOUT WCASET

WCASET heartily welcomes research scholars, delegates and students from academia as well as industries to interact and share their experience and knowledge in technology and its application in **25th - World Conference on Applied Science Engineering and Technology (WCASET - 19)**. The conference will be held in **Nanutel Margao, Goa** on **December 29th and 30th 2019**. The main objective of WCASET is to give a world class stage to scientists to share the exploration discoveries by sorting out International Conferences. To utilize an exploration yield of the conference in the classroom for advantages of the students. To urge scientists to distinguish critical research issues in recognized regions, in the field of Applied Science, Engineering and Technology
