# Message from the Organizing Committee

We are delighted to extend a warm welcome to all participants of the 8th International Conference on Multidisciplinary and Current Educational Research (ICMCER-2026), held in Bangkok, Thailand, on March 13–14, 2026, and organized by IFERP Academy.

ICMCER-2026 serves as a vital global platform for researchers, academicians, students, and industry professionals to share their latest research findings and advancements across educational research and multidisciplinary domains. The conference fosters meaningful engagement by enabling participants to exchange innovative ideas, build academic and professional networks, and explore opportunities for global collaboration.

The proceedings of ICMCER-2026 present a collection of high-quality, peer-reviewed research contributions that reflect the most current and relevant developments in the field. All submitted papers underwent a rigorous review process by 2–4 expert referees, ensuring the selection of work that meets high standards of quality, originality, and relevance. We believe these proceedings will provide valuable insights, serve as a reliable reference, and inspire further research in diverse academic disciplines.

We gratefully acknowledge the support of our partner universities and research institutions, whose contributions were instrumental in the success of this conference. We extend our sincere appreciation to the distinguished professors and reviewers who dedicated their time and expertise to the peer-review process, offering constructive feedback to enhance the quality of the submissions.

Since December 2025, the organizing committee has received over 80 manuscript submissions spanning various thematic areas of ICMCER-2026. Following a thorough evaluation process, approximately 20 high-quality papers were selected for inclusion in the official conference proceedings.

We would like to express our heartfelt thanks to all participants, keynote speakers, session chairs, and contributing authors for their invaluable contributions and active engagement. We also recognize the dedicated efforts of the technical program committee, reviewers, and organizing team, whose commitment and collaboration made this conference a success.

Finally, we extend our deepest gratitude to everyone involved in making ICMCER-2026 a meaningful and impactful event. Your support and participation have been integral to its success.

## About ICMCER 2026

The 8th International Conference on Multidisciplinary and Current Educational Research (ICMCER-2026) is a premier global gathering held on March 13–14, 2026, in Bangkok, Thailand. The conference brings together academicians, researchers, educators, and industry professionals from around the world to share cutting-edge research and innovative practices across diverse educational and multidisciplinary domains.

ICMCER-2026 serves as a dynamic platform for fostering intellectual exchange, encouraging interdisciplinary collaboration, and promoting the dissemination of impactful research. It aims to address contemporary challenges in education while exploring emerging trends and advancements that are shaping the future of learning and teaching.

With a strong emphasis on practical application and real-world impact, the conference facilitates meaningful discussions that contribute to the development of effective educational strategies, policies, and innovations. By connecting global thought leaders and practitioners, ICMCER-2026 aspires to drive transformative change and advance the quality and accessibility of education worldwide.

# **IMPACT & KEY OUTCOMES OF THE CONFERENCE**

---

## **Driving Meaningful Change Through Collaboration**

ICMCER-2026 created a significant impact by bringing together global scholars, researchers, and professionals to exchange knowledge, foster collaboration, and address contemporary challenges in education and multidisciplinary research. The conference served as a catalyst for innovation, dialogue, and future-focused solutions.

## **Key Outcomes**

### **Advancement of Research & Knowledge**

- Presentation of 60+ research papers across key thematic areas
- Dissemination of innovative ideas and interdisciplinary approaches

### **Strengthened Global Collaboration**

- Participation from 5 countries
- New academic and research partnerships initiated

### **Enhanced Accessibility & Engagement**

- Successful hybrid format with in-person and virtual participation
- Increased accessibility for global participants

## **Overall Impact**

- Promoted interdisciplinary research and collaboration
- Encouraged knowledge exchange across diverse academic fields
- Supported professional growth and skill development
- Strengthened the global academic network

# CONCLUSION & FUTURE OUTLOOK (ICMCER 2027 PREVIEW)

---

## **A Successful Step Towards Academic Excellence**

ICMCER-2026 concluded successfully, bringing together a diverse community of researchers, academicians, and professionals from across the globe. The conference provided a dynamic platform for knowledge exchange, interdisciplinary collaboration, and meaningful discussions on emerging trends and challenges in education and multidisciplinary research.

The active participation, high-quality research presentations, and engaging sessions reflected the growing importance of ICMCER as a global forum for academic excellence and innovation.

---

## **Looking Ahead to ICMCER 2027**

Building on the success of this year's conference, ICMCER will continue to expand its global reach and academic impact in its upcoming edition. The next conference aims to:

-  Broaden international participation and partnerships
  -  Encourage more interdisciplinary and impactful research contributions
  -  Introduce innovative session formats and engagement activities
  -  Strengthen collaboration between academia, industry, and policymakers
  -  Enhance digital and hybrid participation experiences
-

## Future Vision

ICMCER aspires to remain a leading platform that fosters innovation, inclusivity, and sustainability in education. By continuously evolving and adapting to global academic needs, the conference aims to contribute to shaping the future of education and research worldwide.
