## Foreword

Dear Participants,

It gives me great pleasure to share with you the outcomes and results of the 6th ICMCER – 2025, with the theme of " Transformative Learning for Sustainable Development: Insights from Multidisciplinary Research " which was held at Bangkok, Thailand on 13th & 14th March, 2025. More than 300 people attended the event in person, and more than 500 people watched the live stream online. We were able to actively engage and reach out to a wider spectrum of research communities.

The 6th International Conference on Multidisciplinary and Current Educational Research (6<sup>th</sup> ICMCER - 2025), provided a vibrant platform that brings together scholars, educators, and researchers from a variety of disciplines. It is a hub for exchanging innovative research about Education, Teaching, Learning & Assessment, Science, Engineering, Technology and Mathematics, Arts, Humanities & Social Sciences, Finance, Business, Management, Economics & Accounting that foster critical and creative thinking, mainly in the multidisciplinary educational research, and fostering multidisciplinary exchanges among experts in Multidisciplinary and Current Educational Research.

We are grateful for the support of many universities and research institutes, whose contributions were vital to the success of this conference. We extend our sincere gratitude and highest respect to the professors who played an important role in the review process, providing valuable feedback and suggestions to authors to improve their work. We also extend our appreciation to the external reviewers for providing additional support in the review process and to the authors for contributing their research results to the 6th International Conference on Multidisciplinary and Current Educational Research (6th ICMCER - 2025).

## 1.1 Conference Overview

6th International Conference on Multidisciplinary and Current Educational Research (6th ICMCER - 2025) was the place where ideas collided and innovations take the spotlight for the contribution towards achieving Sustainable Development Goals! 6th International Conference on Multidisciplinary and Current Educational Research (6th ICMCER - 2025) had long been the meeting place for professionals, educators, researchers, policymakers, and industry professionals looking to network, share ideas, and grow in their respective fields. At this Multidisciplinary and Current Educational Research conference in Bangkok, Thailand, academics, researchers, and educators were came together to share their groundbreaking research, and different views, and explore unique ideas from various fields.

Through collaboration, the conference explored intersections between various disciplines and created a dynamic environment to enhance educational discussions and explore diverse studies. This International Conference in Bangkok, Thailand, was a part of shaping the future of global education. They continued to inspire, transform, and shape education together. Their participation was more than just an RSVP; it is an important role in our community dedicated to academic success and positive change.

## 1.2 Conference Theme

The theme of the 6th International Conference on Multidisciplinary and Current Educational Research (6th ICMCER - 2025) **“Transformative Learning for Sustainable Development: Insights from Multidisciplinary Research”** was to provide a lively space where different academic areas come together. 6th ICMCER – 2025 stands as a melting pot of ideas, where the boundaries between advances in Multidisciplinary and Current Educational Research disciplines blur, giving rise to innovative solutions that address global challenges. The conference embraces the multidisciplinary nature of educational excellence driving through digital transformation, recognizing that true breakthroughs often occur at the intersections of different fields.

This theme encapsulates the conference's focus on fostering innovation and collaboration across diverse disciplines within Multidisciplinary and Current Educational Research for sustainable societies. It encourages participants to explore and present cutting-edge solutions that contribute to the sustainable development of industries, addressing challenges and advancing knowledge for a better future. The multidisciplinary perspective highlights the interconnectedness of various fields in creating holistic and impactful solutions.

### 1.3 Objectives & Scope of the Conference

The 6th International Conference on Multidisciplinary and Current Educational Research (6th ICMCER - 2025) aims to bring together academics, researchers, industry professionals, and students from diverse fields to explore cutting-edge advancements and trends across Multidisciplinary and Current Educational Research.

**Key objectives include:**

- **Facilitate Multidisciplinary Collaboration:** To bring together researchers, academicians, industry professionals, and students from diverse disciplines to foster knowledge exchange and interdisciplinary research collaborations.
- **Advance Educational Research:** To explore emerging trends, challenges, and innovations in educational research and pedagogy, contributing to the improvement of learning methodologies.

### 3. Welcoming & Introduction

Welcome to the 6th International Conference on Multidisciplinary and Current Educational Research (6th ICMCER - 2025), where we gather the brightest minds and the most innovative ideas to inspire, educate, and connect. Before we dive into today's agenda, let's take a moment to appreciate the vibrant atmosphere here at Bangkok, Thailand. This location has been thoughtfully chosen to provide an inspiring environment for our discussions and networking. The theme of the 6th International Conference on Multidisciplinary and Current Educational Research (6th ICMCER - 2025) is “Transformative Learning for Sustainable Development: Insights from Multidisciplinary Research “. Our objective is to explore new technologies in Multidisciplinary and Current Educational Research discussing emerging trends, foster collaboration, etc. Over the next two days, we have a packed schedule with six sessions, one workshop, one panel discussion and thirty two keynote presentations from industry leaders and experts. This conference would not be possible without the hard work and dedication of many individuals. We would like to extend a special thank you to our conference managers, and organizing committee members.

**18. Vote of Thanks**

Dear Researchers, Academicians & Students,

As we draw to the close of this remarkable 6th International Conference on Multidisciplinary and Current Educational Research (6th ICMCER - 2025), it is our honor and privilege to extend a vote of thanks on behalf of the organizing committee. Today has been a day filled with insights, inspiration, and invaluable networking opportunities, and none of this would have been possible without the collective efforts of many individuals and organizations.

Firstly, we would like to express our deepest gratitude to our esteemed speakers. Your expertise, thoughtful presentations, and engaging discussions have been the highlight of this conference. You have not only enlightened us with new knowledge but have also inspired us to think critically and creatively about the challenges and opportunities in our field.

A special thanks to our dedicated organizing committee and volunteers. Your hard work behind the scenes, meticulous planning, and tireless efforts have ensured that everything ran smoothly. Your passion and dedication are truly commendable, and this event could not have happened without you.

We are also grateful to our attendees. Your active participation, thoughtful questions, and enthusiastic engagement have added great value to this conference. It is your eagerness to learn and share that makes the events like this so rewarding and worthwhile.

We would like to acknowledge the venue staff for their excellent service and hospitality, providing us with a comfortable and conducive environment for our discussions and networking.

Finally, I want to thank everyone who has contributed, in big ways and small, to the success of this conference. Whether you were a speaker, sponsor, attendee, or volunteer, your involvement has been crucial.

As we conclude, let us take with us the knowledge we have gained, the connections we have made, and the inspiration to drive forward in our respective fields. We look forward to seeing you at future conferences and continuing these valuable conversations.
