

International Academic Conference on Teaching, Education and Recent Learning Technologies (ICTERLT – 2025)

Organized by IFERP Academy – Indonesia Society

Post Conference Report

ICTERLT – 2025, Contributed to Following SDGs

Foreword

Dear Participants,

It gives me great pleasure to share with you the outcomes and results of the ICTERLT-2025, with the theme of " Education for Tomorrow: Trends, Challenges, and Opportunities towards Sustainable Development Solutions " which was held at Bali, Indonesia on 26th & 27th June, 2025. More than 200 people attended the event in person, and more than 400 people watched the live stream online. We were able to actively engage and reach out to a wider spectrum of research communities.

The International Academic Conference on Teaching Education and Recent Learning Technologies (ICTERLT-2025), provided a vibrant platform that brings together scholars, educators, and researchers from a variety of disciplines. It is a hub for exchanging innovative research about Innovative Pedagogies for Sustainable Development, Integration of Technology in Education, Addressing Global Challenges through Education, Curriculum Design for Future Skills, Assessment and Evaluation in the Digital Age, Collaborative Learning and Community Engagement, Professional Development for Educators that foster critical and creative thinking, mainly in the multidisciplinary research studies and education.

We are grateful for the support of many universities and research institutes, whose contributions were vital to the success of this conference. We extend our sincere gratitude and highest respect to the professors who played an important role in the review process, providing valuable feedback and suggestions to authors to improve their work. We also extend our appreciation to the external reviewers for providing additional support in the review process and to the authors for contributing their research results to the International Academic Conference on Teaching Education and Recent Learning Technologies (ICTERLT-2025)

3. Welcoming & Introduction

Welcome to the International Academic Conference on Teaching Education and Recent Learning Technologies (ICTERLT-2025), where we gather the brightest minds and the most innovative ideas to inspire, educate, and connect. Before we dive into today's agenda, let's take a moment to appreciate the vibrant atmosphere here at Bali, Indonesia. This location has been thoughtfully chosen to provide an inspiring environment for our discussions and networking. The theme of the International Academic Conference on Teaching Education and Recent Learning Technologies (ICTERLT-2025) is “ Education for Tomorrow: Trends, Challenges, and Opportunities towards Sustainable Development Solutions “.

Our objective is to explore new technologies in Teaching Education and Recent Learning Technologies. Over the next two days, we have a packed schedule with three sessions, and twenty six keynote presentations from industry leaders and experts. This conference would not be possible without the hard work and dedication of many individuals. We would like to extend a special thank you to our conference managers, and organizing committee members.

13. Valedictory Function

13.1 Conference - Conclusion Summary

The International Academic Conference on Teaching Education and Recent Learning Technologies (ICTERLT-2025), held on 26th & 27th June, 2025, at Bali, Indonesia organized by IFERP Academy - Indonesia Society brought together a diverse group of experts, practitioners, and enthusiasts from various fields. The central theme of the conference was " Education for Tomorrow: Trends, Challenges, and Opportunities towards Sustainable Development Solutions " and it successfully fostered a collaborative environment for sharing knowledge, insights, and advancements to achieve SDGs.

Key Highlights:

The conference commenced with an inspiring Special Guest of Honor Speech by Mr. Siddh Kumar Chhajer, MD & Founder, Technoarete Group, who emphasized the importance of multidisciplinary conferences, collaboration and innovation, QS University World Rankings and Times Higher Education (THE) University World Rankings. Keynote Speakers highlighted the recent breakthroughs and the potential for future developments in Teaching Education and Recent Learning Technologies.

Research Presentations:

Over 184 research papers were presented, covering a wide range of topics. These presentations showcased cutting-edge research and fostered lively discussions.

Networking Opportunities:

The conference facilitated numerous networking events, allowing attendees to connect with peers, potential collaborators, and industry leaders. The virtual and in-person networking sessions were particularly well-received, enhancing professional relationships and sparking new partnerships.

Achievements and Outcomes:

- Several new collaborative initiatives were announced, aiming to address global challenges. These initiatives will leverage the collective expertise and resources of participating organizations.
- Publication of Proceedings including the conference proceedings, including research papers and keynote addresses, will be published. Future Conferences: Plans for the next conference were discussed, with suggestions for topics and formats that could further enhance engagement and impact.

Closing Remarks:

In the closing session, IFERP Academy expressed its gratitude to all the participants, academic partners, sponsors, and organizers. IFERP Academy highlighted the conference's success in

achieving its objectives and underscored the importance of continued collaboration and innovation. Attendees left with a sense of accomplishment and a renewed commitment to advancing in their fields.

The conference concluded on a high note, with participants energized and motivated to apply the insights gained to their respective fields. The event not only celebrated current achievements but also set a forward-looking agenda for future research and development.

14. Vote of Thanks

Dear Researchers, Academicians & Students,

As we draw to the close of this remarkable International Academic Conference on Teaching Education and Recent Learning Technologies (ICTERLT-2025), it is our honor and privilege to extend a vote of thanks on behalf of the organizing committee. Today has been a day filled with insights, inspiration, and invaluable networking opportunities, and none of this would have been possible without the collective efforts of many individuals and organizations.

Firstly, we would like to express our deepest gratitude to our esteemed speakers. Your expertise, thoughtful presentations, and engaging discussions have been the highlight of this conference. You have not only enlightened us with new knowledge but have also inspired us to think critically and creatively about the challenges and opportunities in our field.

A special thanks to our dedicated organizing committee and volunteers. Your hard work behind the scenes, meticulous planning, and tireless efforts have ensured that everything ran smoothly. Your passion and dedication are truly commendable, and this event could not have happened without you. We are also grateful to our attendees. Your active participation, thoughtful questions, and enthusiastic engagement have added great value to this conference. It is your eagerness to learn and share that makes the events like this so rewarding and worthwhile.

We would like to acknowledge the venue staff for their excellent service and hospitality, providing us with a comfortable and conducive environment for our discussions and networking.

Finally, I want to thank everyone who has contributed, in big ways and small, to the success of this conference. Whether you were a speaker, sponsor, attendee, or volunteer, your involvement has been crucial.

As we conclude, let us take with us the knowledge we have gained, the connections we have made, and the inspiration to drive forward in our respective fields. We look forward to seeing you at future conferences and continuing these valuable conversations.
