ICEESSH-2026

1.1 Conference Overview

Welcome to the **2nd International Conference on Cross-Disciplinary Insights, Engineering, Higher Education, Social Science and Humanities (ICEESSH) in Virtual (Live on Zoom) on July 22nd, 2026**. Join us for a collaborative experience that promotes knowledge exchange and interdisciplinary partnerships to tackle global challenges.

1.2 Conference Theme

With the theme “**Bridging Disciplines, Building Sustainable Futures,**” ICEESSH 2026 aims to spark groundbreaking ideas, foster cross-disciplinary collaboration, and empower communities through knowledge-driven solutions. We warmly invite you to be part of this enriching experience as we collectively shape a future anchored in sustainability, inclusivity, and global progress.

1.3 Objectives & Scope of the Conference

The **2nd International Conference on Cross-Disciplinary Insights: Engineering, Higher Education, Social Science and Humanities (ICEESSH)** aims to foster interdisciplinary collaboration among researchers, academicians, educators, and industry professionals to address emerging societal challenges through innovative and sustainable solutions. The conference promotes technology-driven education, bridges the gap between research and real-world applications, supports the United Nations Sustainable Development Goals (SDGs), and provides a global platform for knowledge exchange, networking, and professional growth.

6. Overall Comments of the Participants:

1. Overall, participants rated the conference experience highly, with most giving excellent ratings.
2. The sessions were considered extremely valuable and relevant by the majority of attendees.
3. Event organization, including registration, venue, and coordination, received strong positive feedback.
4. Many participants appreciated the responsiveness and professionalism of the organizing team.
5. The conference was valued for providing insightful technical discussions and meaningful learning experiences.
6. The focus on sustainability and future-oriented themes was well received by attendees.
7. Some participants highlighted the need for clearer and more precise confirmation processes.
8. A few attendees suggested improving communication and presentation quality during virtual sessions.
9. Attention to detail, such as verifying presenter biodata before publishing, was recommended for improvement.
10. While most feedback was positive, a small number of participants indicated the need for overall enhancements in event quality and delivery.
