### 3<sup>rd</sup> GNC – 2025, Contributed to Following SDGs

## Foreword

Dear Participants,

It gives me great pleasure to share with you the outcomes and results of the 3rd GNC - 2025, with the theme of " Advancing Nursing Practice and Patient Care through Innovation and Collaboration " which was held at Manila, Philippines on 9th & 10th April, 2025. More than 300 people attended the event in person, and more than 500 people watched the live stream online. We were able to actively engage and reach out to a wider spectrum of research communities.

**Mr. A. Siddth Kumar Chhajjer**

MD & Founder, IFERP  
Technoarete Group

The 3rd Global Nursing Congress – 2025, provided a vibrant platform that brings together scholars, educators, and researchers from a variety of disciplines. It is a hub for exchanging innovative research about Medical-Surgical Nursing, Obstetrics and Gynaecology Nursing, Oncological Nursing, Pediatric Nursing, Community and Public Health Nursing, Advanced Nursing Practices during Pandemic, Nursing Education and Administration, Future of Nursing, Emergency Nursing and Critical Care Nursing, New Technology and Innovations in Nursing Education, Nursing Informatics, Transitional Care Nursing, that foster critical and creative thinking, mainly in the Nursing.

We are grateful for the support of many universities and research institutes, whose contributions were vital to the success of this conference. We extend our sincere gratitude and highest respect to the professors who played an important role in the review process, providing valuable feedback and suggestions to authors to improve their work. We also extend our appreciation to the external reviewers for providing additional support in the review process and to the authors for contributing their research results to the 3rd Global Nursing Congress – 2025.

Mr. Siddth Kumar Chhajjer

MD & Founder,

Attendees left with a sense of accomplishment and a renewed commitment to advancing in their fields.

The conference concluded on a high note, with participants energized and motivated to apply the insights gained to their respective fields. The event not only celebrated current achievements but also set a forward-looking agenda for future research and development.

**19. Vote of Thanks**

Dear Researchers, Academicians & Students,

As we draw to the close of this remarkable 3rd Global Nursing Congress – 2025, it is our honor and privilege to extend a vote of thanks on behalf of the organizing committee. Today has been a day filled with insights, inspiration, and invaluable networking opportunities, and none of this would have been possible without the collective efforts of many individuals and organizations.

Firstly, we would like to express our deepest gratitude to our esteemed speakers. Your expertise, thoughtful presentations, and engaging discussions have been the highlight of this conference. You have not only enlightened us with new knowledge but have also inspired us to think critically and creatively about the challenges and opportunities in our field.

A special thanks to our dedicated organizing committee and volunteers. Your hard work behind the scenes, meticulous planning, and tireless efforts have ensured that everything ran smoothly. Your

passion and dedication are truly commendable, and this event could not have happened without you.

We are also grateful to our attendees. Your active participation, thoughtful questions, and enthusiastic engagement have added great value to this conference. It is your eagerness to learn and share that makes the events like this so rewarding and worthwhile.

We would like to acknowledge the venue staff for their excellent service and hospitality, providing us with a comfortable and conducive environment for our discussions and networking.

Finally, I want to thank everyone who has contributed, in big ways and small, to the success of this conference. Whether you were a speaker, sponsor, attendee, or volunteer, your involvement has been crucial.

As we conclude, let us take with us the knowledge we have gained, the connections we have made, and the inspiration to drive forward in our respective fields. We look forward to seeing you at future conferences and continuing these valuable conversations.
