

International Conference on Public Health, Physical Health and Healthcare Management (ICPHPHM - 2025)

Organized by IFERP Life Sciences
in association with
Shinawatra University, Thailand

Post Conference Report

ICPHPHM – 2025, Contributed to Following SDGs

Foreword

Dear Participants,

It gives me great pleasure to share with you the outcomes and results of the ICPHPHHM – 2025, with the theme of "Transforming Public Health: Innovation, Equity, and Global Collaboration for Sustainable Health Systems" which was held at Bangkok, Thailand on 13th & 14th March, 2025. More than 300 people attended the event in person, and more than 500 people watched the live stream online. We were able to actively engage and reach out to a wider spectrum of research communities.

Mr. A. Siddh Kumar Chhajer
MD & Founder, IFERP
Technoarete Group

The International Conference on Public Health, Physical Health and Healthcare Management (ICPHPHHM - 2025), provided a vibrant platform that brings together scholars, educators, and researchers from a variety of disciplines. It is a hub for exchanging innovative research about Health Equity and Access, Access Sustainable Health Systems, Physical Health and Wellbeing, Healthcare Management and Policy, Research and Evidence-Based Practices, Emergency Preparedness and Response, Technology and Innovation in Healthcare that foster critical and creative thinking, mainly in the Public Health, Physical Health and Healthcare Management.

We are grateful for the support of many universities and research institutes, whose contributions were vital to the success of this conference. We extend our sincere gratitude and highest respect to the professors who played an important role in the review process, providing valuable feedback and suggestions to authors to improve their work. We also extend our appreciation to the external reviewers for providing additional support in the review process and to the authors for contributing their research results to the International Conference on Public Health, Physical Health and Healthcare Management (ICPHPHHM - 2025)

Mr. Siddh Kumar Chhajer

MD & Founder, IFERP

1. Conference Summary

Conference Name : International Conference on Public Health, Physical Health and Healthcare Management (ICPHPHM - 2025)

Date : 13th & 14th March, 2025

Venue : Bangkok, Thailand

Conference Theme : Transforming Public Health: Innovation, Equity, and Global Collaboration for Sustainable Health Systems

Organized By : Shinawatra University, Thailand and
IFERP Life Sciences

No. of Organizing Committee Members : 59

No. of Editors/Reviewers : 28

No. of Speakers : 32

No. of Abstracts Received : 202

No. of Participants Registered : 152

No. of Attendees : 282

1.1 Conference Overview

International Conference on Public Health, Physical Health and Healthcare Management (ICPHPHHM - 2025) was the place where ideas collided and innovations take the spotlight for the contribution towards achieving Sustainable Development Goals! International Conference on Public Health, Physical Health and Healthcare Management (ICPHPHHM - 2025) had long been the meeting place for professionals, educators, researchers, policymakers, and industry professionals looking to network, share ideas, and grow in their respective fields. At this Public Health, Physical Health and Healthcare Management conference in Bangkok, Thailand, academics, researchers, and educators were came together to share their groundbreaking research, and different views, and explore unique ideas from various fields.

Through collaboration, the conference explored intersections between various disciplines and created a dynamic environment to enhance educational discussions and explore diverse studies. This International Conference in Bangkok, Thailand, was a part of shaping the future of global education. They continued to inspire, transform, and shape education together. Their participation was more than just an RSVP; it is an important role in our community dedicated to academic success and positive change.

1.2 Conference Theme

The theme of the International Conference on Public Health, Physical Health and Healthcare Management (ICPHPHHM - 2025) “ **Transforming Public Health: Innovation, Equity, and Global Collaboration for Sustainable Health Systems** “ was to provide a lively space where different academic areas come together. ICPHPHHM – 2025 stands as a melting pot of ideas, where the boundaries between advances in Public Health, Physical Health and Healthcare Management disciplines blur, giving rise to innovative solutions that address global challenges. The conference embraces the multidisciplinary nature of Public Health, Physical Health and Healthcare Management driving through digital transformation, recognizing that true breakthroughs often occur at the intersections of different fields.

This theme encapsulates the conference's focus on fostering innovation and collaboration across diverse disciplines within Public Health, Physical Health and Healthcare Management for sustainable societies. It encourages participants to explore and present cutting-edge solutions that contribute to the sustainable development of industries, addressing challenges and advancing knowledge for a better future. The multidisciplinary perspective highlights the interconnectedness of various fields in creating holistic and impactful solutions.

1.3 Objectives & Scope of the Conference

The International Conference on Public Health, Physical Health and Healthcare Management (ICPHPHHM - 2025) aims to bring together academics, researchers, industry professionals, and students from diverse fields to explore cutting-edge advancements and trends across Multidisciplinary and Current Educational Research.

Key objectives include:

- **Advance Public Health Knowledge** – Facilitate discussions on emerging trends, challenges, and innovations in public health research and policies.
- **Promote Physical Health Awareness** – Explore strategies to enhance physical well-being through preventive healthcare, lifestyle interventions, and rehabilitation programs.
- **Strengthen Healthcare Management Practices** – Address the evolving role of healthcare management in improving hospital administration, patient care, and resource optimization.
- **Encourage Multidisciplinary Collaboration** – Bring together researchers, healthcare professionals, policymakers, and academicians to share knowledge and best practices.
- **Discuss Technological Advancements in Healthcare** – Examine the impact of digital health solutions, AI, telemedicine, and data analytics in transforming healthcare delivery.
- **Support Evidence-Based Policy Making** – Provide insights into the formulation of policies that ensure equitable and accessible healthcare services worldwide.
- **Enhance Global Healthcare Resilience** – Discuss strategies for strengthening healthcare systems to effectively respond to pandemics, climate change, and other global health crises.

ICPHPHHM – 2025 transcends traditional boundaries, providing a platform for comprehensive exploration across a multitude of disciplines. The conference encompasses a wide scope that includes, but is not limited to:

- **Public Health Research & Policies**
 - Epidemiology and disease prevention
 - Global health challenges and solutions
 - Health equity and social determinants of health
 - Community health and wellness programs
- **Physical Health & Well-Being**
 - Lifestyle diseases and preventive measures
 - Sports science and rehabilitation
 - Nutrition and dietetics for better health outcomes

- Mental health and stress management
- **Healthcare Management & Systems**
- Hospital administration and healthcare governance
- Health economics and policy reforms
- AI and digital transformation in healthcare
- Patient safety and quality assurance
- **Innovations in Healthcare & Medical Research**
- Precision medicine and genomics
- Biomedical engineering and healthcare technologies
- Public-private partnerships in healthcare
- Pandemic preparedness and response strategies

2. Guest of Honor, Keynote Speakers, Session Speakers, Event Speakers, Panel Discussion Speakers & Session Chairs

Guest of honor

Mr. Siddh Kumar Chhajer
Founder & Managing Director,
IFERP, Technoarete Group,
India.

Asst. Prof. Dr. Palphol Rodloytuk
Vice President, Shinawatra University
Thailand

Dr. Pratikshya Bhandari
Director,
International Affairs
Shinawatra University Pathum Thani,
Thailand

Dr. Venus Dennen Claver
Manager,
International Affairs
Shinawatra University Pathum Thani,
Thailand

3. Welcoming & Introduction

Welcome to the International Conference on Public Health, Physical Health and Healthcare Management (ICPHPHHM - 2025), where we gather the brightest minds and the most innovative ideas to inspire, educate, and connect. Before we dive into today's agenda, let's take a moment to appreciate the vibrant atmosphere here at Bangkok, Thailand. This location has been thoughtfully chosen to provide an inspiring environment for our discussions and networking. The theme of the International Conference on Public Health, Physical Health and Healthcare Management (ICPHPHHM - 2025) is “Transforming Public Health: Innovation, Equity, and Global Collaboration for Sustainable Health Systems “. Our objective is to explore new technologies in Public Health, Physical Health and Healthcare Management discussing emerging trends, foster collaboration, etc. Over the next two days, we have a packed schedule with three sessions, one workshop, one panel discussion and thirty two keynote presentations from industry leaders and experts. This conference would not be possible without the hard work and dedication of many individuals. We would like to extend a special thank you to our conference managers, and organizing committee members.

11. Momento Ceremony

The conference speakers, session speakers, & session chairs were awarded with Momentos.

12. Technical Presentation Sessions

12.1 Technical Presentation Session 1 A

12.1.1 Speech by Session Speaker Mr.Piti Anontapant

Mr. Piti Anontapant
Facility Management Consultant, Vice
President of Thai Wellness Association
Bangkok, Thailand

12.1.2 Speech by Session Speaker Assoc.Prof.Dr. Sukhumpong Channuwong

**Assoc.Prof.Dr. Sukhumpong
Channuwong**
Program Director ,Ph.D. In Innovation of
Business and Politics Administration
Faculty of Management
Shinawatra University, Thailand

12.1.3 – 12.1.22 Total 22 Scientific Presentations were presented in the Technical
Presentation Session 1 A

13. Technical Presentation Sessions

13.1 Technical Presentation Session 1 B

13.1.1 – 13.1.15 Total 15 Scientific Presentations were presented in the Technical
Presentation Session 1 B

14. International Mobility Exchange Program – Shinawatra University, Thailand

An exclusive opportunity for physical participants to join cultural activities, workshops on Mastering the Art of Paper Presentation in Management and Business Technology, research lab visits at Shinawatra University, Thailand. Insightful briefing by the faculties. Token of Appreciation presented to Shinawatra University.

- Cultural Activities, Workshops
- Research Lab Tour
- Campus Tour

15. Award Ceremony - Best Paper Presentation Awards

Name	Paper Title
Donghwa Jeong	Preliminary Validation of Origami Complexity Using an Information-theoretic Approach
Zedric Lorzano	College Students On Generative A.i.: Basis For Ethical Generative A.i. Utilization Policy
Eliecer Montero Ojeda	Teacher Leadership and Educational Projects: Driving Transformation and Innovation in Learning Environments
Shreya Sharma	Comparing The Efficacy Of 30 Minutes To 60 Minutes Swiss Ball Exercise During Labor: A Protocol For Randomized Controlled Trial
Ian John Galupar	A Theoretical Development Of Robotics Technology Pedagogical Approach (Rtpa) In Mathematics Education

16. Valedictory Function

16.1 Conference - Conclusion Summary

The International Conference on Public Health, Physical Health and Healthcare Management (ICPHPHM - 2025), held on 13th & 14th March, 2025 at Bangkok, Thailand organized by Shinawatra University, Thailand and IFERP Life Sciences brought together a diverse group of experts, practitioners, and enthusiasts from various fields. The central theme of the conference was "Transforming Public Health: Innovation, Equity, and Global Collaboration for Sustainable Health

Systems " and it successfully fostered a collaborative environment for sharing knowledge, insights, and advancements to achieve SDGs.

Key Highlights:

The conference commenced with an inspiring Special Guest of Speech by Mr. Siddh Kumar Chhajer, MD & Founder, Technoarete Group, who emphasized the importance of multidisciplinary conferences, collaboration and innovation, QS University World Rankings and Times Higher Education (THE) University World Rankings. Keynote Speakers highlighted the recent breakthroughs and the potential for future developments in Multidisciplinary and Current Educational Research.

Research Presentations:

Over 152 research papers were presented, covering a wide range of topics. These presentations showcased cutting-edge research and fostered lively discussions.

Networking Opportunities:

The conference facilitated numerous networking events, allowing attendees to connect with peers, potential collaborators, and industry leaders. The virtual and in-person networking sessions were particularly well-received, enhancing professional relationships and sparking new partnerships.

Achievements and Outcomes:

- Several new collaborative initiatives were announced, aiming to address global challenges. These initiatives will leverage the collective expertise and resources of participating organizations.
- Publication of Proceedings including the conference proceedings, including research papers and keynote addresses, will be published. Future Conferences: Plans for the next conference were discussed, with suggestions for topics and formats that could further enhance engagement and impact.

Closing Remarks:

In the closing session, IFERP Life Sciences expressed its gratitude to all the participants, academic partners, sponsors, and organizers. IFERP Life Sciences highlighted the conference's success in achieving its objectives and underscored the importance of continued collaboration and innovation. Attendees left with a sense of accomplishment and a renewed commitment to advancing in their fields.

The conference concluded on a high note, with participants energized and motivated to apply the insights gained to their respective fields. The event not only celebrated current achievements but also set a forward-looking agenda for future research and development.

17. Vote of Thanks

Dear Researchers, Academicians & Students,

As we draw to the close of this remarkable International Conference on Public Health, Physical Health and Healthcare Management (ICPHPHM - 2025), it is our honor and privilege to extend a vote of thanks on behalf of the organizing committee. Today has been a day filled with insights, inspiration, and invaluable networking opportunities, and none of this would have been possible without the collective efforts of many individuals and organizations.

Firstly, we would like to express our deepest gratitude to our esteemed speakers. Your expertise, thoughtful presentations, and engaging discussions have been the highlight of this conference. You have not only enlightened us with new knowledge but have also inspired us to think critically and creatively about the challenges and opportunities in our field.

A special thanks to our dedicated organizing committee and volunteers. Your hard work behind the scenes, meticulous planning, and tireless efforts have ensured that everything ran smoothly. Your passion and dedication are truly commendable, and this event could not have happened without you.

We are also grateful to our attendees. Your active participation, thoughtful questions, and enthusiastic engagement have added great value to this conference. It is your eagerness to learn and share that makes the events like this so rewarding and worthwhile.

We would like to acknowledge the venue staff for their excellent service and hospitality, providing us with a comfortable and conducive environment for our discussions and networking.

Finally, I want to thank everyone who has contributed, in big ways and small, to the success of this conference. Whether you were a speaker, sponsor, attendee, or volunteer, your involvement has been crucial.

As we conclude, let us take with us the knowledge we have gained, the connections we have made, and the inspiration to drive forward in our respective fields. We look forward to seeing you at future conferences and continuing these valuable conversations.

18. Conference Glimpses

19. General Comments & Feedbacks

Overall Comments of the Participants:

- Organizing and Coordination of the conference was excellent and professional.
- Speakers were no doubt enriching.
- Overall, an excellent International Conference.
- Workshop and Panel Discussion were very interactive
- The introduction of the conference program was so effective that it distracts you from the research topic
- Keynote speakers talks were worth listening.
- International Mobility Exchange Program highlighted the conference with research lab visits.
- Issues were resolved carefully.
