## Post Conference Report

### 12<sup>th</sup> GoGreen Summit – 2025, Contributed to Following SDGs

## Foreword

Dear Participants,

It gives me great pleasure to share with you the outcomes and results of the 12th GoGreen Summit – 2025, with the theme of "Sustainable Practices for a Greener Future" which was held at Kuala Lumpur, Malaysia on 22<sup>nd</sup> & 23<sup>rd</sup> May, 2025. More than 300 people attended the event in person, and more than 500 people watched the live stream online. We were able to actively engage and reach out to a wider spectrum of research communities.

**Mr. A. Siddth Kumar Chhajjer**

MD & Founder, IFERP  
Technoarete Group

The 12th GoGreen Summit – 2025, provided a vibrant platform that brings together scholars, educators, and researchers from a variety of disciplines. It is a hub for exchanging innovative research about Waste Management, Global Warming & Climate Change, Industrial Health & Toxicology, Sustainable Agriculture, Ocean Technology & Oceanography, Nanotechnology Impacts on Environment, Lifestyle Fashion & Green Wearables, Ecotourism & Sustainable Tourism, Green Economy & Sustainable Business, Green Mobility, Water Conservation, Management & Treatment, Disaster Management, Green Construction & Smart Cities, Pollution & Health Effects, Renewable Energy & Green Manufacturing Technology that foster critical and creative thinking, mainly in the multidisciplinary research studies and education.

We are grateful for the support of many universities and research institutes, whose contributions were vital to the success of this conference. We extend our sincere gratitude and highest respect to the professors who played an important role in the review process, providing valuable feedback and suggestions to authors to improve their work. We also extend our appreciation to the external reviewers for providing additional support in the review process and to the authors for contributing their research results to the 12th GoGreen Summit – 2025.

Mr. Siddth Kumar Chhajjer

MD & Founder,

IFERP, Technoarete Group

## 1.1 Conference Overview

12th GoGreen Summit – 2025, was the place where ideas collided and innovations take the spotlight for the contribution towards achieving Sustainable Development Goals! 12th GoGreen Summit – 2025 had long been the meeting place for professionals, educators, researchers, policymakers, and industry professionals looking to network, share ideas, and grow in their respective fields. At this GoGreen Summit – 2025 in Kuala Lumpur, Malaysia, academics, researchers, and educators were came together to share their groundbreaking research, and different views, and explore unique ideas from various fields.

Through collaboration, the conference explored intersections between various disciplines and created a dynamic environment to enhance educational discussions and explore diverse studies. This International Conference in Kuala Lumpur, Malaysia, was a part of shaping the future of global education. They continued to inspire, transform, and shape education together. Their participation was more than just an RSVP; it is an important role in our community dedicated to academic success and positive change.

## 1.2 Conference Theme

The theme of the 12<sup>th</sup> GoGreen Summit – 2025 “ **Sustainable Practices for a Greener Future** “ was to provide a lively space where different academic areas come together. 12<sup>th</sup> GoGreen Summit – 2025 stands as a melting pot of ideas, where the boundaries between advances in Multi-Disciplinary Research Studies and Education disciplines blur, giving rise to innovative solutions that address global challenges. The conference embraces the multidisciplinary nature of educational excellence driving through digital transformation, recognizing that true breakthroughs often occur at the intersections of different fields.

This theme encapsulates the conference's focus on fostering innovation and collaboration across diverse disciplines within Multi-Disciplinary Research Studies and Education. It encourages participants to explore and present cutting-edge solutions that contribute to the sustainable development of industries, addressing challenges and advancing knowledge for a better future. The multidisciplinary perspective highlights the interconnectedness of various fields in creating holistic and impactful solutions.

### 1.3 Objectives & Scope of the Conference

The 12th GoGreen Summit – 2025 aims to bring together academics, researchers, industry professionals, and students from diverse fields to explore cutting-edge advancements and trends across Multi-Disciplinary Research Studies and Education.

**Key objectives include:**

- **Foster Global Dialogue** on environmental sustainability, climate change, and green technologies by bringing together researchers, policymakers, entrepreneurs, and environmentalists.
- **Promote Interdisciplinary Research** by bridging gaps between science, industry, education, and policy-making in the areas of sustainable development and eco-innovation.
- **Encourage Sustainable Practices** in agriculture, energy, manufacturing, urban planning, and water management through real-world case studies and policy recommendations.
- **Showcase Green Innovations** by providing a platform for start-ups and corporations to present cutting-edge sustainable products, services, and solutions.
- **Strengthen International Collaboration** for environmental conservation, circular economy models, and low-carbon development goals in line with the UN Sustainable Development Goals (SDGs).

### 3. Welcoming & Introduction

Welcome to the 12th GoGreen Summit – 2025, where we gather the brightest minds and the most innovative ideas to inspire, educate, and connect. Before we dive into today's agenda, let's take a moment to appreciate the vibrant atmosphere here at Kuala Lumpur, Malaysia. This location has been thoughtfully chosen to provide an inspiring environment for our discussions and networking. The theme of the 12th GoGreen Summit – 2025 is “ Sustainable Practices for a Greener Future “. Our objective is to explore new technologies in Multi-Disciplinary Research Studies and Education. Over the next two days, we have a packed schedule with six sessions, two workshops, one panel discussion, one debate and fifty five keynote presentations from industry leaders and experts. This conference would not be possible without the hard work and dedication of many individuals. We would like to extend a special thank you to our conference managers, and organizing committee members.

The central theme of the conference was " Sustainable Practices for a Greener Future " and it successfully fostered a collaborative environment for sharing knowledge, insights, and advancements to achieve SDGs.

### Key Highlights:

The conference commenced with an inspiring Special Guest of Speech by Mr. Siddh Kumar Chhajer, MD & Founder, Technoarete Group, who emphasized the importance of multidisciplinary conferences, collaboration and innovation, QS University World Rankings and Times Higher Education (THE) University World Rankings. Keynote Speakers highlighted the recent breakthroughs and the potential for future developments in Multidisciplinary and Current Educational Research.

**Research Presentations:**

Over 292 research papers were presented, covering a wide range of topics. These presentations showcased cutting-edge research and fostered lively discussions.

**Networking Opportunities:**

The conference facilitated numerous networking events, allowing attendees to connect with peers, potential collaborators, and industry leaders. The virtual and in-person networking sessions were particularly well-received, enhancing professional relationships and sparking new partnerships.

**Achievements and Outcomes:**

- Several new collaborative initiatives were announced, aiming to address global challenges. These initiatives will leverage the collective expertise and resources of participating organizations.
- Publication of Proceedings including the conference proceedings, including research papers and keynote addresses, will be published. Future Conferences: Plans for the next conference were discussed, with suggestions for topics and formats that could further enhance engagement and impact.

**Closing Remarks:**

In the closing session, IFERP Academy expressed its gratitude to all the participants, academic partners, sponsors, and organizers. IFERP Academy highlighted the conference's success in achieving its objectives and underscored the importance of continued collaboration and innovation. Attendees left with a sense of accomplishment and a renewed commitment to advancing in their fields.

The conference concluded on a high note, with participants energized and motivated to apply the insights gained to their respective fields. The event not only celebrated current achievements but also set a forward-looking agenda for future research and development.

**21. Vote of Thanks**

Dear Researchers, Academicians & Students,

As we draw to the close of this remarkable 12th GoGreen Summit – 2025, it is our honor and privilege to extend a vote of thanks on behalf of the organizing committee. Today has been a day filled with insights, inspiration, and invaluable networking opportunities, and none of this would have been possible without the collective efforts of many individuals and organizations.

Firstly, we would like to express our deepest gratitude to our esteemed speakers. Your expertise, thoughtful presentations, and engaging discussions have been the highlight of this conference. You

have not only enlightened us with new knowledge but have also inspired us to think critically and creatively about the challenges and opportunities in our field.

A special thanks to our dedicated organizing committee and volunteers. Your hard work behind the scenes, meticulous planning, and tireless efforts have ensured that everything ran smoothly. Your passion and dedication are truly commendable, and this event could not have happened without you. We are also grateful to our attendees. Your active participation, thoughtful questions, and enthusiastic engagement have added great value to this conference. It is your eagerness to learn and share that makes the events like this so rewarding and worthwhile.

We would like to acknowledge the venue staff for their excellent service and hospitality, providing us with a comfortable and conducive environment for our discussions and networking.

Finally, I want to thank everyone who has contributed, in big ways and small, to the success of this conference. Whether you were a speaker, sponsor, attendee, or volunteer, your involvement has been crucial.

As we conclude, let us take with us the knowledge we have gained, the connections we have made, and the inspiration to drive forward in our respective fields. We look forward to seeing you at future conferences and continuing these valuable conversations.
